

WHY SHOULD YOU BE A BOOSTER?

It takes a lot of volunteers to load, transport, unload equipment and maintain the uniforms for the many ensemble members. This is for all performing ensembles: marching band, winter percussion, winter color guard, concert band, jazz band etc. Please volunteer to give us a hand and support the performing musicians and guard members of Salem High School. It also gives you an opportunity to see what your son/daughter spends countless hours doing and will get you into shows for free.
